

Maitlands

THE **LANTERN**

THAT HAS IT ALL

We are very pleased to introduce the most competitively priced Lantern ever offered by Maitlands.

Ideal for use in orangeries and extensions, the Classic Lantern is slimline, thermally broken and comes with an unbeatable range of design options.

From the UK's most loved glazed roof comes the Classic Lantern. Beautifully manufactured by Maitland's.

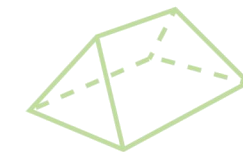

THE **LANTERN** THAT HAS IT ALL

The Classic Lantern is a leader in style and simplicity for a streamlined, modern look. Ideal for use on extensions or orangeries, the Classic Lantern is the perfect way to ensure the room below is flooded with natural light.

Engineered by Ultraframe & manufactured by Maitlands, the Classic Lantern draws

maximum light into the room below, thanks to the minimal number of bars and sleek fittings. Thermally broken throughout, the Classic Lantern avoids the risk of condensation build-up, essential in any home extension, especially kitchens where temperatures can change rapidly.

Fast and simple to install, the Classic Lantern can quickly transform your home with 'clip-fit' technology that means there are no visible fixings.

The Classic Lantern is the ideal choice for orangeries or extensions and suits both traditional and contemporary living spaces.

The Classic Lantern is fully customisable and great value for money. Choose from PVCu or aluminium to complement your windows and doors, a range of high-performance glass specifications and a choice of standard or bespoke colours.

Unique advanced 'ridgeLOCK' technology and clip-fit in fittings make the Classic Lantern fast and simple to install, so your high quality extension or orangery can be completed in no time at all.
